

Red Oak Festival of Trees

Hosted By

RED OAK ISD EDUCATION FOUNDATION

RED OAK LIONS CLUB

FIRST UNITED METHODIST CHURCH OF RED OAK

The Festival of Trees is a magical family event designed to kick off the holiday season by bringing the community together to view dozens & dozens of beautifully decorated Christmas trees, wreaths, stockings, gift baskets, centerpieces and other holiday items donated by the Red Oak community. The event will be held at the First United Methodist Church at 600 Daubitz Drive, formerly known as W. Red Oak Rd. from December 3rd thru December 5th. At the end of the festival, the trees will be sold by silent auction.

We are asking you to please support this special event by donating a decorated and lit artificial holiday tree, wreath, stocking or other holiday item for the entire community to see.

You can go for traditional, contemporary, whimsical, religious, regional, country, patriotic, humorous, magical, juvenile, feminine, masculine, ingenious, clever or just plain beautiful. You may even choose to have your tree/item reflect your organization if you wish, though it doesn't have to. Feel free to incorporate your company's products or gift certificates for that extra gift value & consumer awareness, if you desire. Every tree/item will be displayed with a prominent sign with the name of the donating organization & the tree's title. Items will be judged by a panel of community judges and awards will be given for Best In Class as well as Best of Festival. Stockings, wreaths and centerpieces are always very popular!

To get you in that creative holiday spirit, here are some examples of possible themes and/or titles:

Coffee, Tea or Tree

A Letter to Santa

Have Ameri-Christmas

Seaside Memories

White Christmas

Deck the Halls

Down on the Farm

A Blue Suede Christmas

Spa – La – La –La

Home for the Holidays

Silver Bells

A Sporty Christmas

Hawk! The Herald Angels Sing

A Very "Beary" Christmas

Magical Saint Nicholas

Kids Kandyland

Merry Christmas, Y'all

Angels We Have Heard on High
